

Architecture and Politics. The Barcelona Pavillion by Mies van der Rohe

Dietrich Neumann

Birkhäuser (HGV)

9783035619867

€49.95 | HB | 176 pp. | Jan 2020

With the temporary exhibition pavilion of the German Reich at the 1929 International Exposition in Barcelona, Mies van der Rohe designed an architectural icon, but also a controversial monument of the way the Weimar Republic portrayed itself. This comprehensively, broadly researched book portrays the building's complex history and its political entanglement-up to and including its reconstruction according to van der Rohe's plans at the original site between 1983 and 1986.
