

CRITICAL LIVES SERIES

The **CRITICAL LIVES** series presents the life of major cultural figures of the modern period and assesses their work at the same time.

‘Beautifully produced – very short critical biographies whose main target audience is likely to be undergraduates, but that will also do nicely for a general audience.’

– *Times Literary Supplement*

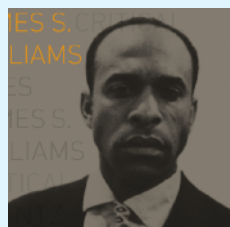

‘Reaktion has published a distinguished series of these shorter critical appraisals of famous literary figures’

– *Independent on Sunday*

‘This excellent series should dispel many of the silly shibboleths about critical theory.’

– *Scotland on Sunday*
