Lesia Ukrainka (pen name of Larysa Kosach-Kvitka, 1879-1913) was one of the most prominent Ukrainian writers, poets, playwrights, literary scholars, and activists of the late nineteenth-early twentieth century. Along with Taras Shevchenko and Ivan Franko, she forms the triumvirate of Ukrainian national poets. Ukrainka was well-known for her feminist and progressive views, which found representation in her own works. Nina Murray is a poet and an award-winning translator of Ukrainian literature, including works by Oksana Zabuzhko, Oksana Lutsyshyna, and Lesia Ukrainka. She is the author of several poetry collections and a career member of the U.S. Foreign Service. Marko Pavlyshyn is Professor Emeritus

Cassandra

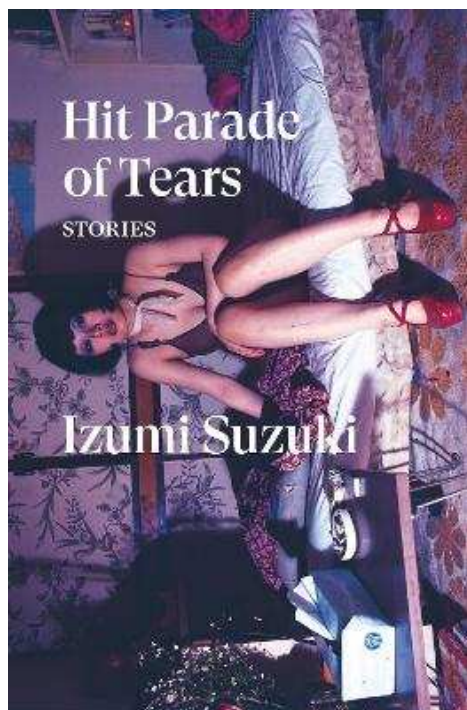

A Dramatic Poem

Harvard University Press (John Wiley & Sons Ltd)

18 July 2023

In Lesia Ukrainka's rendering, Cassandra's prophecies are uttered in highly poetic language and are not believed for that reason, rather than because of Apollo's curse. Cassandra as poet and as woman are the focal points of the drama. The strongly autobiographical Cassandra: A Dramatic Poem is presented here in a sophisticated English translation.

Cassandra, the daughter of King Priam of Troy, is cursed with the gift of true prophecies that are not believed by anyone. She foretells the city's fall should Paris bring Helen as his wife, as well as the death of several of Troy's heroes and her family. The classic myth turns into much more in Lesia Ukrainka's rendering: Cassandra's prophecies are uttered in highly poetic language-fitting for the genre of the work-and are not believed for that reason, rather than because of Apollo's curse. Cassandra as poet and as woman are the focal points of the drama. Cassandra: A Dramatic Poem encapsulates the complexities of Ukrainka's late works: use of classical mythology and her intertextual practice; intense focus on issues of colonialism and cultural subjugation-and allegorical reading of the asymmetric relationship of Ukrainian and Russian culture; a sharp commentary on patriarchy and the subjugation of women; and the dilemma of the writer-seer who knows the truth and its ominous implications but is powerless to impart that to contemporaries and countrymen. This strongly autobiographical work commanded a significant critical reception in Ukraine and projects Ukrainka into the new Ukrainian cultural canon. Presented here in a contemporary and sophisticated English translation attuned to psychological nuance, it is sure to attract the attention of the modern-day reader.

Science fiction
Modern & contemporary
fiction (post c 1945)
Fiction in translation

Izumi Suzuki (1949-1986) was a countercultural icon and a pioneer of Japanese science fiction. She worked as a keypunch operator before finding fame as a model and actress, but it was her writing that secured her reputation. She took her own life at the age of thirty-six.

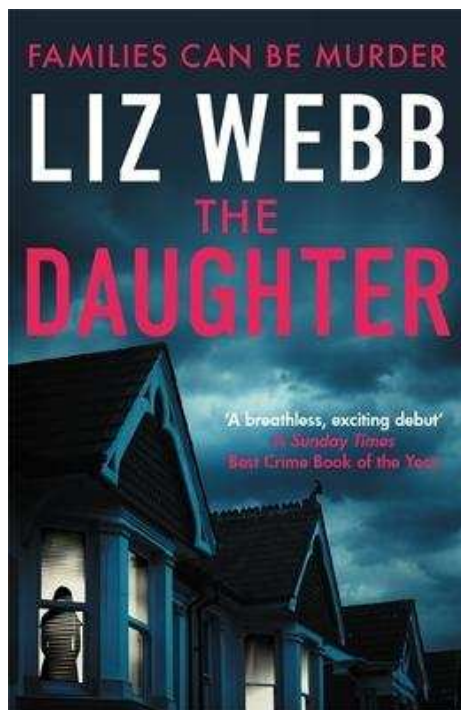

Hit Parade of Tears

Verso Books (Marston Book Services)

11 April 2023

A new collection from the cult author of Terminal Boredom

A new collection of stories from the cult author of *Terminal Boredom*. Izumi Suzuki had ideas about doing things differently, ideas that paid little attention to the laws of physics, or the laws of the land. In this new collection, her skewed imagination distorts and enhances some of the classic concepts of science fiction and fantasy. A philandering husband receives a bestial punishment from a wife with her own secrets to keep; a music lover finds herself in a timeline both familiar and as wrong as can be; a misfit band of space pirates discover a mysterious baby among the stars; Emma, the Bovary-like character from one of Suzuki's stories in *Terminal Boredom*, lands herself in a bizarre romantic pickle. Wryly anarchic and deeply imaginative, Suzuki was a writer like no other. These eleven stories offer readers the opportunity to delve deeper in this singular writer's work.

Crime & mystery

Liz Webb originally trained as a classical dancer, then worked as a secretary, stationery shop manager, art class model, cocktail waitress, stand-up comic, voice-over artist, script editor and radio drama producer, before becoming a novelist. She lives in North London with her husband, son and serial killer cat Freddie.

The Daughter

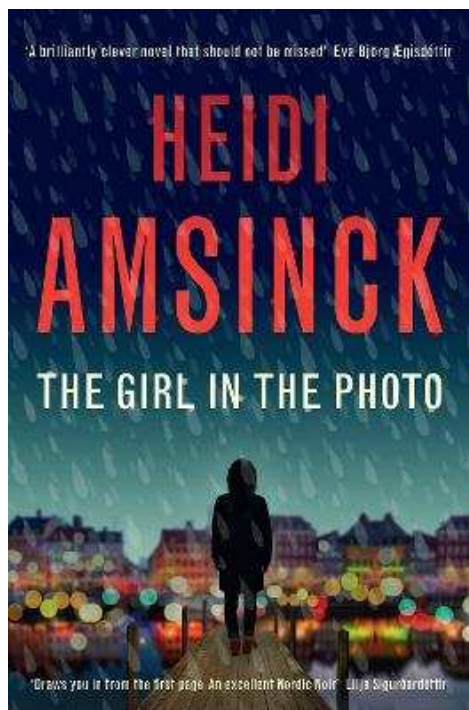

One of best crime books of the year - The Times

Allison & Busby (Grantham Book Services (GBS))

19 January 2023

'Breathless, exciting debut' Sunday Times, Best new crime books of 2022

FAMILIES CAN BE MURDER I lean in and whisper the question I have never let myself utter in twenty-three years. "Dad, did you murder Mum?" Hannah Davidson has a dementia-stricken father, an estranged TV star brother, and a mother whose death opened up hidden fault lines beneath the surface of their ordinary family life. Now the same age that Jen Davidson was when she was killed, Hannah realises she bears an uncanny resemblance to her glamorous mother, and when her father begins to confuse them she is seriously unnerved. Determined to uncover exactly what happened to her mum, Hannah begins to exploit her arresting likeness, but soon the boundaries between Hannah and her mother become fatally blurred.

Thriller / suspense

Thriller / suspense

Heidi Amsinck is a writer and journalist born in Copenhagen now living in London. She covered Britain for the Danish press, including a spell as London Correspondent for Jyllands-Posten. Heidi has written many short stories for BBC Radio 4, all produced by Sweet Talk and read by Tim McInnery. She was previously shortlisted for the VS Pritchett Memorial Prize. Her first thriller, *My Name is Jensen*, was published to critical acclaim in 2021. *The Girl in the Photo* appeared in hardback in summer 2022. *Jensen* will return in 2023.

The Girl in the Photo

A Jensen Thriller

Muswell Press (Grantham Book Services (GBS))

29 June 2023

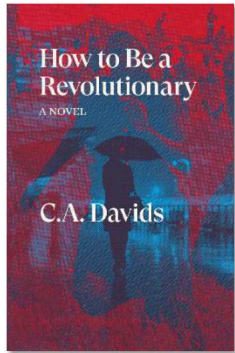

'The literary equivalent of curling up with a box set of The Bridge or The Killing' The Times. Following the highly acclaimed My Name is Jensen, comes the second in the series

When ninety-year-old Irene Valborg is found brutally murdered in an affluent suburb of Copenhagen, her diamond necklace missing, it looks like a burglary gone wrong. When two more victims are attacked, the police lament a rise in violence against the elderly, but who is the young girl in the photo found by DI Henrik Jungersen on the scenes of crime? Impatient to claim her inheritance, Irene's daughter hires former Dagbladet reporter Jensen and her teenage apprentice Gustav to find the necklace. Henrik finds himself once more pitched in a quest for the truth against Jensen, the one woman in Copenhagen he is desperate to avoid.
