£30.99 | Paperback| 238pp. | April 2025

Nothing excited early modern anatomists more than touching a beating heart.

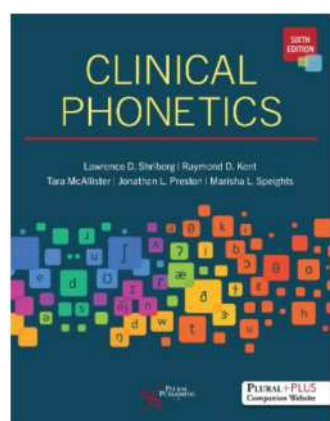

Foundations of Speech and Hearing: Anatomy and Physiology

Jeanette D. Hoit

Plural Publishing Inc (IPS UK) | 9781635508710

£123.00 | Hardback| 371pp. | November 2025

This accessible and richly illustrated textbook covers the anatomy and physiology of speaking, hearing, and swallowing.

Clinical Phonetics

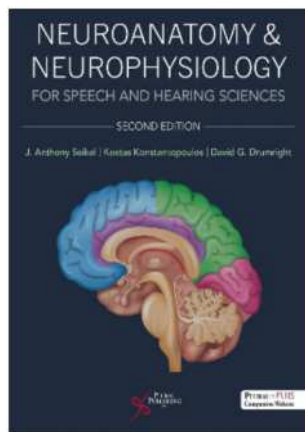

Lawrence D. Shriberg

Plural Publishing Inc (IPS UK) | 9781635507614

£119.00 | Paperback| 400pp. | November 2025

The sixth edition of the classic textbook, Clinical Phonetics, continues to serve as both a practical guide and a thought-provoking reflection of the evolving landscape of the field of phonetics for speech-language pathology students.

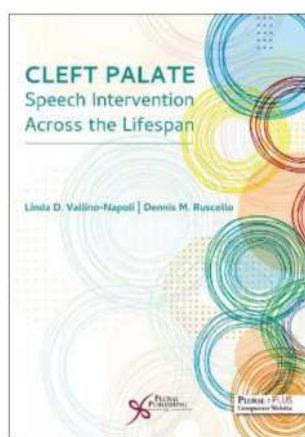

Neuroanatomy and Neurophysiology for Speech and Hearing Sciences

Anthony Seikel

Plural Publishing Inc (IPS UK) | 9781635508406

£110.00 | Hardback| 525pp. | November 2025

For undergraduate or graduate courses, *Neuroanatomy and Neurophysiology for Speech and Hearing Sciences, Second Edition* provides a thorough yet readable examination of the neuroanatomical underpinnings within communication sciences and disorders.

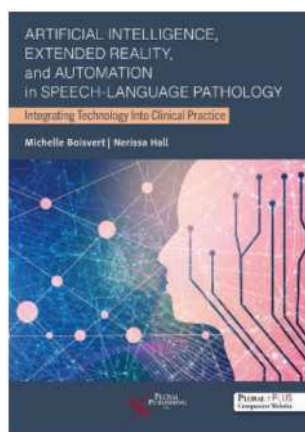

Cleft Palate Speech Intervention Across the Lifespan

Linda Vallino-Napoli

Plural Publishing Inc (IPS UK) | 9781635507645

£77.00 | Paperback / softback| 304pp. | October 2025

Cleft Palate Speech Intervention Across the Lifespan is an evidence-based resource for treatment across the lifespan that addresses the communication disorders of children born with cleft palate.

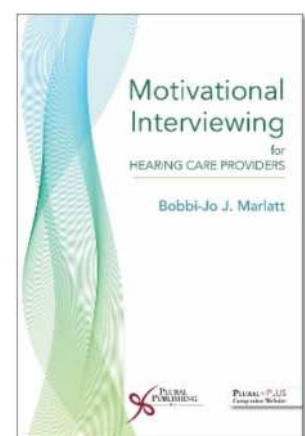

Artificial Intelligence, Extended Reality, and Automation in Speech-Language Pathology: Integrating Technology Into Clinical Practice

Michelle Boisvert

Plural Publishing Inc (IPS UK) | 9781635507706

£94.00 | Paperback| 250pp. | November 2025

Artificial Intelligence, Extended Reality, and Automation in Speech-Language Pathology: Integrating Technology Into Clinical Practice provides practicing speech-language pathologists (SLPs) provides actionable guidance and a wealth of resources for practitioners.

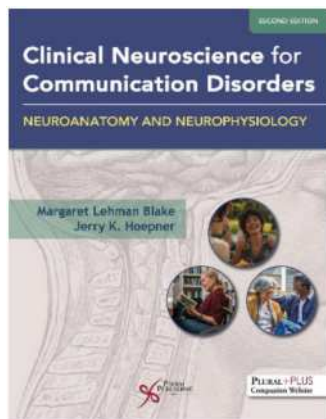

Motivational Interviewing for Hearing Care Providers

Bobbi-Jo Marlatt

Plural Publishing Inc (IPS UK) | 9781635507843

£77.00 | Paperback / softback| 170pp. | November 2025

This essential book presents positive MI treatment effects in various fields and advocates that hearing care needs similar improvements. The author breaks down MI into relevant components and skills and outlines optimal strategies.

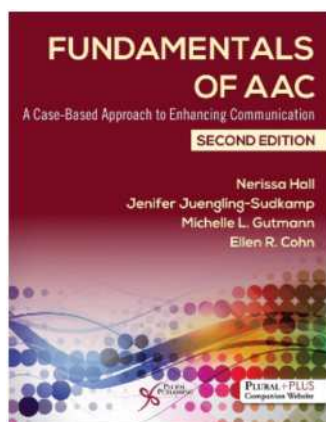

Clinical Neuroscience for Communication Disorders: Neuroanatomy and Neurophysiology

Margaret Lehman Blake

Plural Publishing Inc (IPS UK) | 9781635507812

£102.00 | Hardback| 384pp. | October 2025

Clinical Neuroscience for Communication Disorders: Neuroanatomy and Neurophysiology, Second Edition offers a comprehensive and easy-to-understand introduction to neuroscience for undergraduates and beginning graduate students in the field of communication disorders.

Fundamentals of AAC : A Case-Based Approach to Enhancing Communication

Nerissa Hall

Plural Publishing Inc (IPS UK) | 9781635507737

£85.00 | Paperback| 574pp. | October 2025

The second edition of Fundamentals of AAC: A Case-Based Approach to Enhancing Communication continues to be a course-friendly textbook designed to walk readers through the theoretical and clinical underpinnings of assessment, intervention, and consultation for individuals with complex communication needs across the lifespan.

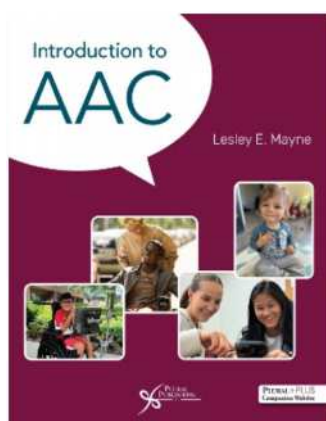

Programming Cochlear Implants

Jace Wolfe

Plural Publishing Inc (IPS UK) | 9781635501766

£85.00 | Paperback| 630pp. | September 2025

For clinicians and graduate-level students this text covers the programming and hardware of cochlear implants, and discusses clinical protocols for a range of patients.

Introduction to AAC

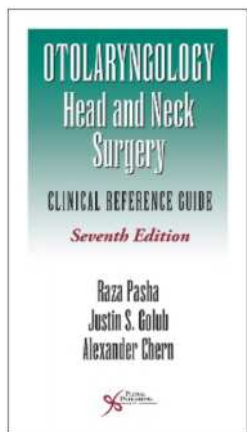

Lesley E. Mayne

Plural Publishing Inc (IPS UK) | 9781635507799

£85.00 | Paperback| 458pp. | August 2025

Written specifically for undergraduate-level and speech-language pathology assistant students, Introduction to AAC focuses on AAC for children and adults. It presents the foundational knowledge of AAC in a way that is engaging for beginning students, incorporating pedagogical elements designed to encourage active learning.

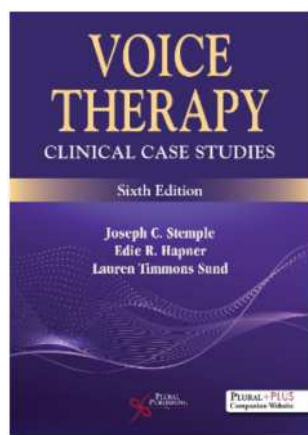

Otolaryngology-Head and Neck Surgery : Clinical Reference Guide

Raza Pasha

Plural Publishing Inc (IPS UK) | 9781635507775

£102.00 | Paperback| 742pp. | August 2025

Otolaryngology-Head and Neck Surgery: Clinical Reference Guide, Seventh Edition is the essential pocket reference guide to the field. This universally standard guidebook concisely reviews all aspects of otolaryngology including rhinology, laryngology, otology, plastic surgery, sleep medicine, and more.

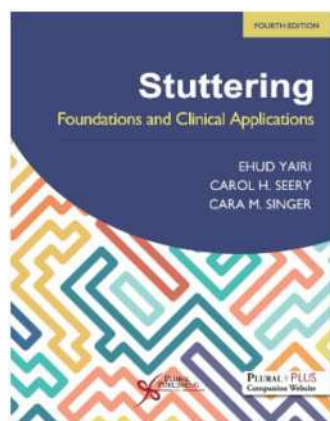

Voice Therapy : Clinical Case Studies

Joseph C. Stemple

Plural Publishing Inc (IPS UK) | 9781635507317

£110.00 | Paperback / softback| 499pp. | August 2025

Voice Therapy: Clinical Case Studies, Sixth Edition provides both the student and the working clinician with a broad sampling of management strategies as presented through clinical case studies by master voice clinicians.

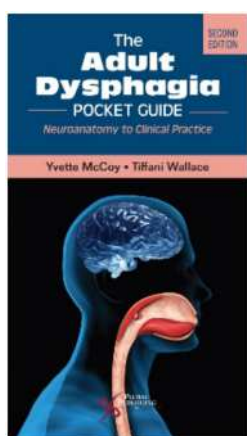

Stuttering : Foundations and Clinical Applications

Ehud Yairi

Plural Publishing Inc (IPS UK) | 9781635507744

£110.00 | Paperback / softback| 441pp. | August 2025

Stuttering: Foundations and Clinical Applications, Fourth Edition presents a comprehensive overview of the science and treatment of stuttering intended for both undergraduate and graduate level courses. It is the only text that incorporates general information on the nature of stuttering (e.g., incidence and development).

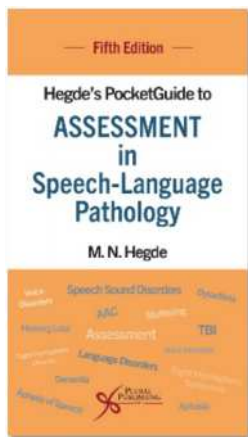

The Adult Dysphagia Pocket Guide : Neuroanatomy to Clinical Practice

Yvette M. McCoy

Plural Publishing Inc (IPS UK) | 9781635507713

£77.00 | Spiral bound| 227pp. | August 2025

The second edition of Adult Dysphagia Pocket Guide: Neuroanatomy to Clinical Practice remains a concise, easily portable reference guide designed specifically for the dysphagia clinician.

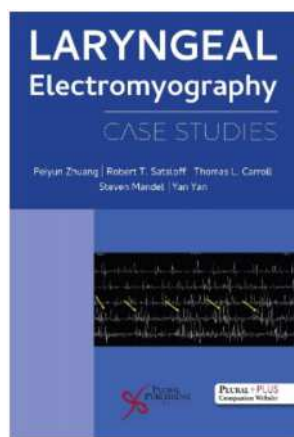

Hegde's PocketGuide to Assessment in Speech-Language Pathology

M.N. Hegde

Plural Publishing Inc (IPS UK) | 9781635507850

£77.00 | Paperback / softback| 576pp. | July 2025

Now in its fifth edition, Hegde's PocketGuide to Assessment in Speech-Language Pathology is a renowned resource, the first of its kind, and now a classic in communication sciences and disorders.

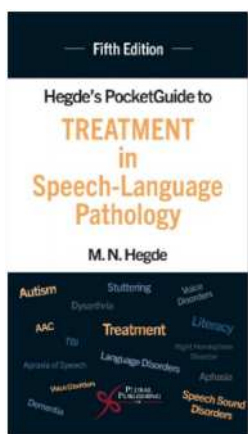

Laryngeal Electromyography : Case Studies

Peiyun Zhuang

Plural Publishing Inc (IPS UK) | 9781635507874

£110.00 | Hardback| 222pp. | July 2025

Authored by an esteemed team of international experts, Laryngeal Electromyography: Case Studies is the first-of-its-kind book to present multidisciplinary cases on the clinical application of laryngeal electromyography (LEMG), including key concepts and principles of LEMG interpretation.

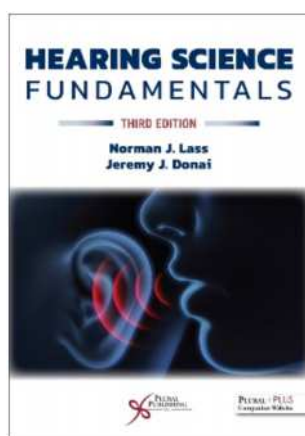

Hegde's PocketGuide to Treatment in Speech-Language Pathology

M. N. Hegde

Plural Publishing Inc (IPS UK) | 9781635507867

£77.00 | Paperback / softback| 496pp. | June 2025

Now in its fifth edition, Hegde's PocketGuide to Treatment in Speech-Language Pathology is a renowned resource and a classic in communication sciences and disorders.

Hearing Science Fundamentals

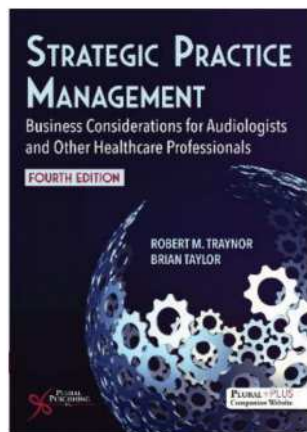

Norman J. Lass

Plural Publishing Inc (IPS UK) | 9781635507720

£102.00 | Paperback / softback| 374pp. | June 2025

Hearing Science Fundamentals, Third Edition introduces the basic concepts in hearing science in an easy-to-understand format for undergraduate and graduate level students. This textbook includes a wide variety of student-friendly features designed to facilitate learning and instructor resources for seamless integration to the course.

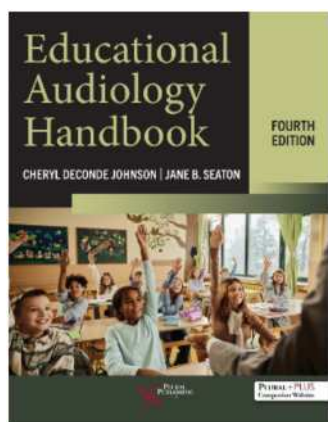

Strategic Practice Management : Business Considerations for Audiologists and Other Healthcare Professionals

Robert M. Traynor

Plural Publishing Inc (IPS UK) | 9781635507669

£127.00 | Paperback / softback| 983pp. | March 2025

This textbook is to teach student how to create and properly manage a clinic from a practical angle, looking at the different aspects of how to run a clinic.

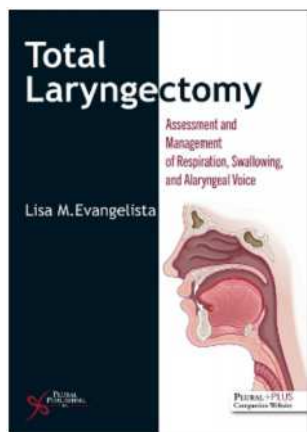

Educational Audiology Handbook

Cheryle Deconde Johnson

Plural Publishing Inc (IPS UK) | 9781635507546

£132.00 | Paperback / softback| 669pp. | February 2025

This book is an informational resource for audiologists and other providers who support audiological school-based services.

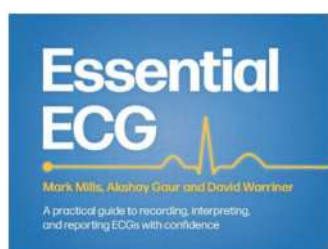

Total Laryngectomy : Assessment and Management of Respiration, Swallowing, and Alaryngeal Voice

Lisa Evangelista

Plural Publishing Inc (IPS UK) | 9781635507324

£110.00 | Paperback / softback| 298pp. | February 2025

Total Laryngectomy: Assessment and Management of Respiration, Swallowing, and Alaryngeal Voice is a valuable guide for clinical training that provides transformative insights and practices to improve patient care, advance the field of total laryngectomy, and support speech-language pathologists in their critical role as practitioner

Essential ECG : A practical guide to recording, interpreting, and reporting ECGs with confidence

Mark Mills

Scion Publishing Ltd (IPS UK) | 9781914961656

£23.99 | Paperback| 250pp. | December 2025

Essential ECG is a hands-on, accessible guide to recording, interpreting, and reporting ECGs with confidence.

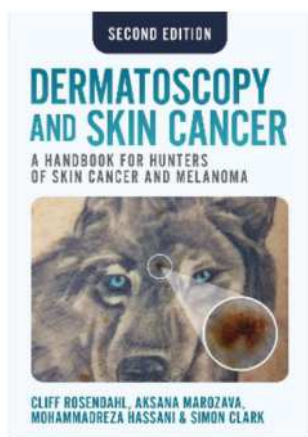

Lab Results Made Easy

Nazia Hussain

Scion Publishing Ltd (IPS UK) | 9781914961601

£24.99 | Paperback| 280pp. | September 2025

Lab Results Made Easy is essential reading for everyone looking to safely manage abnormal results in primary care. It provides concise, practical guidance for time-pressed GPs on how to interpret lab results. This is complemented by chapters on how to make sure you choose the correct test in the first place.
