Paolo Giovio's *Portraits of Learned Men* provides brief biographies of 146 men from Dante, Petrarch, and Boccaccio to Erasmus, Thomas More, and Juan Luis Vives that were meant to accompany portraits in a museum of great figures in modern history. This volume contains a fresh edition of the Latin text and a new, more complete English translation.

In Praise of Failure : Four Lessons in Humility
Costica Bradatan

Harvard University Press (John Wiley & Sons Ltd) | 9780674970472

£26.95 | HB | 288.pp | January 2023

Success is all very well, but failure teaches us what is most important: humility. Costica Bradatan tells the stories of four thinkers who, for all their external success, courted failure throughout their years. From Simone Weil to Seneca and Gandhi, the greatest of us made meaningful lives by grasping the epiphanies of failure.

The Joy of Consent : A Philosophy of Good Sex

Manon Garcia

Harvard University Press (John Wiley & Sons Ltd) | 9780674279131

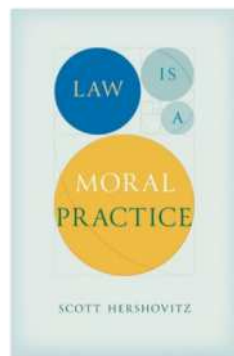

£24.95 | HB | 272.pp | October 2023

In the #MeToo age, US debate over licit sex has split into two camps: one insists that consent solves the problem of sexual coercion, while the other equates sexual pleasure with the patriarchal erotics of silence and mystery. Manon Garcia rejects both positions, arguing that consent is a faulty legal threshold but essential to the joy of good sex.

Law Is a Moral Practice

Scott Hershovitz

Harvard University Press (John Wiley & Sons Ltd) | 9780674258556

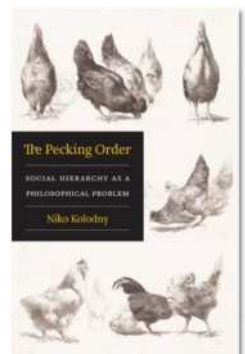

£34.95 | HB | 256.pp | December 2023

What is law, and why does it matter? Scott Hershovitz says that law is a moral practice—a tool for adjusting our moral relations. This claim is simple on its face, but it has stark implications for the rule of law. At once erudite and entertaining, Hershovitz's argument engages with the most important legal and political controversies of our time.

The Pecking Order : Social Hierarchy as a Philosophical Problem

Niko Kolodny

Harvard University Press (John Wiley & Sons Ltd) | 9780674248151

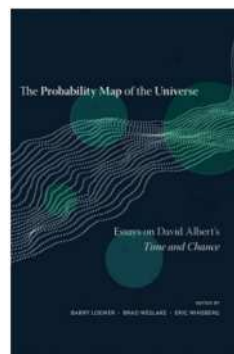

£47.95 | HB | 496.pp | February 2023

How do we justify our political convictions? Libertarians appeal to a love of freedom, liberals to a dedication to fairness. Niko Kolodny, however, argues that neither value actually makes sense of our avowed convictions. Instead, what drives much of our politics is an opposition to social hierarchy.

The Probability Map of the Universe : Essays on David Albert's Time and Chance

Barry Loewer

Harvard University Press (John Wiley & Sons Ltd) | 9780674967878

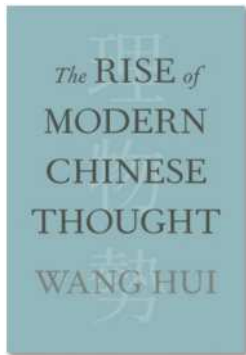

£39.95 | HB | 400.pp | January 2023

David Albert's 2000 book *Time and Chance* attempts to account for some of the most intractable problems in theoretical physics, in particular those arising from the direction of time. This collection assembles essays exploring and debating Albert's ideas, now recognized as among the most important recent contributions to the philosophy of science.

The Rise of Modern Chinese Thought

Hui Wang

Harvard University Press (John Wiley & Sons Ltd) | 9780674046764

£65.95 | HB | 1088.pp | July 2023

Wang Hui asks what it means for China to be modern and for modernity to be Chinese. Is there a rupture between tradition and modernity in China? How has Confucian thought evolved? Did China become modern in the Middle Ages? A deep intellectual history, *The Rise of Modern Chinese Thought* revises our senses of both modernity and Chinese philosophy.

The Seventy-Five Folios and Other Unpublished Manuscripts

Marcel Proust

Harvard University Press (John Wiley & Sons Ltd) | 9780674271012

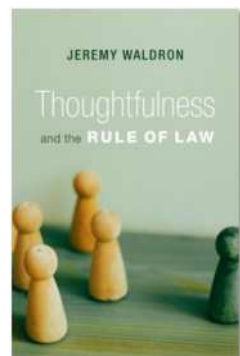

£26.95 | HB | 360.pp | April 2023

The Seventy-Five Folios and Other Unpublished Manuscripts contain early versions of six episodes later included in Marcel Proust's *In Search of Lost Time*. Discovered in 2018 and presented here for the first time in English, the folios reveal the autobiographical extent of Proust's work and the "sacred moment" when his genius blossomed.

Thoughtfulness and the Rule of Law

Jeremy Waldron

Harvard University Press (John Wiley & Sons Ltd) | 9780674290778

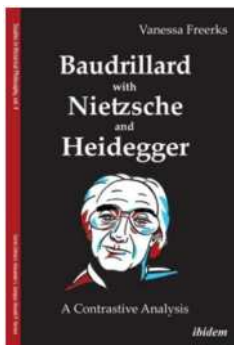

£39.95 | HB | 336.pp | December 2023

Political theorist Jeremy Waldron makes a bracing case against identifying rule of law with predictability. Seeing the rule of law as just one value to which democracies aspire, he embraces thoughtfulness rather than rote rule-following, flexibility even at the cost of vagueness, and emphasizing procedure and argument over predictable outcomes.
